## Have You Heard?

Dorothy McCain Elsenius

Enchantment with both marital and political parties seemed apparent during the recent presidential poll held among Albany students. A "who cares" attitude seemed to prevail and overall disinterest was manifested in one student's comment: "I don't care who wins. When I get to be 18 I hope I ever will vote. Like I am one vote?"

Members of the Albany Lions Club have set Tuesday evening, Nov. 28, as the date for their annual Lions Football Banquet, to be held at the Cerrito City Center. Tickets will be available at all Albany Lions Club meetings. Plan to attend to honor members of our Albany High School football team.

It was the recent "Franklin D. Roosevelt Night" was a huge success for our American Legion Post 292, as usual. Over 270 roast dinners were served and many more joined the crowd following dinner, to dance to the music of the Art Overman group.

Who won the many, many prizes. Top prize winners were: first prize, Paul Gomez, and second prize, a portable TV went to Mrs. George Gray, the winner June Belzer.

Extended congratulations to Jim Allen and Cheryl Holstein, becoming King and Queen. The Homecoming Week happened the same week as the presidential election, which crowded items (except political items) out of the paper.

Local couple (who wish to remain anonymous) are true Elton Presley buffs. They keep a list of all his records and movies, and their phone, and enter all local radio-phone in contests.

## Thanks Given For Long Life

By Albany Widow

An Albany widow, 98 years young, Mrs. Eva Lane, will be celebrating Thanksgiving quietly in her Stannage Avenue home, but she is giving thanks nonetheless for help she receives that many people take for granted—regular Social Security benefits because of her late husband's work.

The story came to light when Mrs. Lane's story was told to Virginia Donnell, Berkeley Field Representative for Social Security in the hope that others might be made aware of the widow's monthly benefit program under Social Security.

Born almost a century ago in Moore County, Minnesota, Eva Lane took her teaching credential at Winona, Minnesota State Teachers College. After a teaching stint in Minnesota, she heard the call "go West, young woman" and off she went to Washington, Arizona, and then a silver mining camp near Virginia City, Nevada. California then beckoned and she returned to school at San Francisco State Teachers College to get her Bachelor of Arts degree and teach credential. There were 25 years of teaching, and then Mrs. Lane retired when she met and married Harry Lane of San Francisco, an employee of Pacific Telephone Company.

When Lane retired, the couple decided to move away from San Francisco's hustle and bustle, and chose Albany as the type of community to which they would like to retire. With the help of friends they located a lot just the size to fit the house they wanted, and a few years before World War II, they had it built. Mrs. Lane recalls that there were quite a few vacant lots around Albany at that time from which to choose.

Since then, this sparkly, blue-eyed, silver-haired lady became active in local politics, working for the party of her choice for many years. She remembers casting her first vote for Justice Hughes for President, going to bed thinking he had won, and awakening next morning to find that Woodrow Wilson was President. She was a great admirer later of Wilson, but her favorite President was Franklin Delano

## Light Agenda For Council

"Routine business only" was on the agenda for Albany City Council members Monday night when the Times went to press for the Thanksgiving edition... councilmen, too, looking forward to the Thanksgiving weekend.

Communications received this week included a request from Albany Chamber of Commerce that the Holiday Season be dedicated to Albany Armed Service personnel in recognition of the Annual Yule Pool, and an invitation to the Council to attend the Fall Banquet of the Albany Athletic Boosters Club Wednesday, November 29.

Councilmen were to hear the second reading of the changing of the ordinance setting qualifications for Chief of Police, and also call for bids for a 1973 West-coaster Traffic Master and police van.

## Martin Luther Holiday OK'd

Albany Unified School District's Board of Education has declared January 15 as a holiday in memory of the late Dr. Martin Luther King, replacing the "pupils holiday" of January 26.

The action of the school board came following a vote taken at Albany High School which showed 43 percent of the students favoring the holiday exchange. In actuality the birthday of the late Dr. King falls on January 14, a Sunday, but Monday was set for the observance.

According to District Superintendent Kenneth Forry, 900 students were in attendance on the day of the voting, but only 554 did vote. Of these, 25 percent favored "no observance at all" while 32 percent favored "some type of special school observance," but not a school holiday.

At the same meeting, the Board decided to postpone discussion of the re-submission of a bond and loan issue to voters until the Nov. 21 or Nov. 28 meeting (Although both measures passed with a more than 62 percent majority November 7, a 66-66 percent "yes" vote was required in that election. However, the passage of statewide Proposition 9 on November 7 now assures that future bond issues and loans made to earthquake school facilities will need only a simple majority vote.)

The Board then appointed Lou Signer as acting dean of students, pending disposition of a misdemeanor case for John Lane, suspended dean of students. The Board tentatively agreed to pay some salary to Lane, provided he posts a bond, since the bond would insure repayment of the monies paid him should he be found guilty.

An additional \$5,000 for rehabilitation work at Memorial Park on Pomona Avenue was authorized. Additional funds, the cost to be shared with the city, are required to make up the difference between the engineer's estimate of \$60,000 and the project bid of about \$65,000.

Albany Swimming Pool emergency repairs were allocated by the Board in the amount of \$8,000 to \$10,000. Since this is an emergency need, bids will not be advertised, though quotations must be solicited.

Approval was also given at the meeting to the Neighborhood Youth Corps program providing part-time work as teacher aides, children's center workers, janitors, etc., for some 42 economically depressed young persons. The Federal government provides some \$23,000 for the project because, under the law, a minor student cannot work and go to school for more than 40 combined hours a week.

OAKLAND RAIDERS team members switched games long enough to pose with Mrs. Lorin Baum of Albany before the March of Dimes Golf Tournament last week at the Richmond Golf and Country Club. Left to right, behind Mrs. Baum, who helped coordinate the tourney, are George Blanda, Paul Sella, Gus Otto and the Raiders' equipment manager, Dick Romanski. A check for more than \$1,000 was presented to March of Dimes representatives at the dinner which followed.

## Whither BART? To Richmond; (Just Hopefully)

Next stop on the BART construction timetable is Richmond—in January. Will the safety problems now plaguing BART directors be settled in time to meet this deadline?

Quite possibly, in the opinion of Richard Clark of Albany, a director for BART and also an Albany City Councilman.

"While of course the Public Utilities Commission will have the final say on go or no go," Clark says, "since the Richmond to Fremont run can be operated in what they term 'automatic straight line manual block operation,' the January date is still feasible. Just as in the Fremont to MacArthur BART run now operating, Richmond to Fremont is a straight run, which can be operated manually in the event of an emergency, so there's less chance of safety hazards."

On Monday, Nov. 20, BART directors were to meet in a third special meeting to consider a final answer to charges made by state legislative analyst, A. Alan Post that BART is presently unsafe. Clark was outspoken at last week's meeting concerning the need to formulate written questions and answers to be presented by the Board to a state senate committee hearing Tuesday in Sacramento. It was at Clark's insistence that directors set up this procedure for presenting material to the legislators, and that the district spokesmen be Silliman. Other directors wanted General Manager Bill Stokes to be the spokesman. Directors spent an entire afternoon afterwards listening to more answers to questions raised during an earlier meeting when the BART staff claimed Post's report was not correct.

Action may also be taken this week in filing lawsuits against major suppliers, Westinghouse and Rohr Industries, following a closed discussion by directors. According to BART Chief Engineer David Hammond, Post's charge that BART doesn't have adequate fail-safe is not to the point, since it is a matter of degree as to how safe the system can be made.

However, all directors seemed unanimous in their agreement that answers given by Stokes and staff to Post's comments were unsatisfactory. Clark further commented that the directors

## 'Infant Death Syndrome' To Be Discussed

An open meeting on the "sudden infant death syndrome" will be held at 7:30 p.m. Thursday, Nov. 30, in the Edith Meyers auditorium of Children's Hospital Medical Center, 51st and Grove, Oakland.

Featured speaker will be Judith Choate, executive director of the National Foundation for Sudden Infant Death, Inc., in New York City.

A native of San Francisco, Mrs. Choate has been involved with the NFID since her own infant son died of the syndrome, which is neither predictable nor preventable, in 1964.

She has served as a parent volunteer, member of the Board of Trustees, vice-president and executive administrator prior to her present appointment in 1971. She is the author of many publications dealing with the syndrome and will show a film she helped prepare for the 1972 Senate hearings on Sudden Infant Death Syndrome. Mrs. Choate will assist in the formation of a Northern California chapter of NFID.

The program is sponsored by Jay Goldsmith, M.D., Chief Resident at Children's, and a group of Bay Area parents who have lost babies to SIDS, which is the number one cause of death in infants between one month and one year and claims 10,000 victims each year.

The public, particularly parents who have lost infants to the syndrome, is welcome to attend.

In the days of the old Albany volunteer Fire Department, Mr. Severy was known as "Al." When the firehouse horn sounded he would drop his master plumber tools and rush to the fire in his plumbing truck to man a hose.

After retirement, Mr. Severy also worked as a real estate broker and city plumbing inspector in Albany.

**Five big reasons why winter living makes your PG&E bill go up:**

You cook more hot meals.

More heat escapes because of lower outside temperatures.

You need more heat because of colder weather.

You spend more time indoors reading or watching TV.

Your lights are on more because days are shorter.

Here's what you can do to take some of the bite out of winter heating bills. Insulate walls and ceilings, weatherstrip around windows and doors, pull drapes over windows at night, and close fireplace damper when not in use. **PG&E**

The fellow's mother received phone call last week which went like this: "Guess what—we've got a new phone!" "How come," asked Mother, "what happened to your old phone?" "We don't know," said the young man, "but for some reason, it just fell apart the other night when we were making a call."

Frank Gutierrez of the Albany-North Berkeley-El Cerrito Kiwanis Club has come up with a new gimmick to increase membership

Roosevelt. Eva Lane has fond recollections of meeting Mrs. Roosevelt, finding her to be a pleasant, charming person who never asked for special privileges because she was "first lady" of the land. She was the President's local eyes, ears and legs, and kept him up to date first hand on political feelings.

Politics was not all Eva Lane's life, however. She has been an active church member and is a Past Noble Grand of the Rebekah Lodge in San Francisco. She is . . . he has promised to take any member (and wife) out on a "night on the town" if he gets five new members by the end of the year. That's quite an incentive.

A wine tasting benefit on Sunday, Nov. 26, will benefit the work of a well known Verona Missionary priest, Father Martinelli, in his school at Cabo San Lucas, the small village at the tip of Mexico's Baja California. The fund raising event, set for 2:30 to 6:30 p.m. at Mancuso's Restaurant, formerly Diamond

Jim's in the Mayfair Mall in Oakland, is tax deductible with tickets at \$5 per couple. Proceeds will help promote needed classrooms for Father Martinelli's classes in English and clerical skills for village people, according to Mrs. Max Klemm of Garfield Avenue, from whom tickets may be obtained, at 526-3815.

**ALBANY POST 292**

presents

**THE VETERAN'S CORNER**

by Chas. Lindh

When these articles were started some two and a half months ago some mention was made concerning membership and its importance to the Post. All membership work is tedious and of very little interest to the general public. However, there is one phase of it that may be of value to all—"The Induction of New Members."

First of all we believe that all new members should be properly initiated. As soon as the initiation ceremony is completed the Commander of the Post calls on one of the older members to explain the regular procedure of a meeting and what is expected of every member. He also explains how and when to salute the Flag, how to hold the cap during opening and closing prayers of each regular meeting, etc.

After the meeting it is very important that every new member meets the Chairman and as many of the members of the "Greeting Committee" as possible. It is the responsibility of the sponsor of each new member to see that this is done.

From that point the "Greeting Committee" takes over. It is their responsibility to introduce the new members to as many old members as possible, not only at this meeting but at later meetings as well. It is also their responsibility to ascertain if anyone in this group is interested in any particular Legion activity or perhaps they would rather like to serve on some committee. The most important thing is to promote friendly relations between the old and the new members.

A friendly Post is a successful Post and will attract new members. A person or a Post can never have too many friends.

The next regular meeting of Albany Post 292, The American Legion, will be held at 8 p.m., December 1st, 1972, at the Albany Veterans Memorial Bldg. All eligible veterans are invited to attend.
